

Bucharest, 8th of October 2009

Dear Mrs. Ileana Savu,

On behalf of UNICEF Romania, I would like to thank you for all your support during your mandate at the National Authority for the Protection of Children's Rights.

Your strong commitment to children's rights was expressed during our fruitful collaboration during the last 9 months. During this period I strongly believe that together we took many important steps for the improvement of children' lives in Romania.

May I also say again what a great pleasure it was for the entire UNICEF team and myself to work with you. Thanks to devoted people like you we can look forward to a better world for children. It is motivating to know that we can always count on people like you.

I express my highest considerations and I hope for our continued cooperation in the future.

Sincerely yours,

Edmond McLoughney

UNICEF Romania Representative
